## Experience

---

### Peer Coach

January 2024 — August 2025

ArtCenter College of Design, Pasadena, CA

- Provided one-on-one mentoring to undergraduate students, offering guidance on academic queries, time management, and degree advising.

- Provided feedback and strategies for improving viscom, concept ideation, and presentation skills

- Helped students develop effective work ethics, strategies and techniques that reflected different learning styles

### Teaching Assistant

September 2022 — August 2025

ArtCenter College of Design, Pasadena, CA

- Assisted instructors to teach students the design skills required in the industry

- Addressed student inquiries, clarifying concepts and providing additional resources

- Provided constructive feedback to students to help them improve their academic performance

### Framing Associate

September 2020 — March 2021

Michaels Stores, Fremont, CA

- Designed personalized framing solutions, ensuring each project met the customer's vision and specifications

- Assisted in maintaining and organizing framing supplies and inventory

- Managed and tracked custom framing orders from initial consultation to final pickup

## Projects

---

### ResMed Sponsored Studio

September 2023 — December 2023

ArtCenter College of Design, Pasadena, CA

- Successfully sold project IP DreamAir to ResMed

- Worked in a multidisciplinary team to develop innovative solutions for sleep and respiratory disorders

- Developed multiple design concepts, prototypes, and models, iteratively testing and refining them based on feedback and performance criteria
